

UNIVERSITY of  
**ROCHESTER**

# **COMPETING DATA NEEDS:**

## **RECONCILING POLICIES, INFRASTRUCTURE, AND PRACTICES**

HEATHER CHARLOTTE OWEN, DATA LIBRARIAN  
SARAH SIDDIQUI, REPRODUCIBILITY LIBRARIAN  
MATTHEW MARINER, DATA CURATOR LIBRARIAN

**Please feel free  
to ask a question.  
We are happy to  
answer your  
questions at any  
time.**

# BROAD QUESTION 1

Can you briefly talk about your role and how it fits within the suite of Services offered by the Libraries?

## SUB QUESTION 1

**How has Data Services grown since you became a member of the team?**

## SUB QUESTION 2

**How do you collaborate with partners in the libraries and across campus?**

## SUB QUESTION 3

**How do you fit in within the University's culture?**

## SUB QUESTION 4

**Do you think having dedicated reproducibility/data/curator experts as part of the team will help positively affect researcher behaviors?**

# BROAD QUESTION 2

Can you talk about the new policies or government mandates affecting data management and sharing?

## SUB QUESTION 1

**In August 2022 the Nelson Memo was released. How do you think this will affect research in the future? Do you think it will affect researcher behavior? Why do you think this step was taken?**

## SUB QUESTION 2

**Not all funders have shared their new Public Access Plans or Implementation Plans. How do you expect different funders will react?**

## SUB QUESTION 3

**Are there other policies already in the works or upcoming that affect the way you support researchers?**

## SUB QUESTION 4

**With the potential for funder-led audits, how do you see these new mandates affecting researcher behaviors with regard to data curation practices and standards?**

# BROAD QUESTION 3

How have these new mandates and data management and sharing expectations changed your role and responsibilities in the Libraries?

## SUB QUESTION 1

**How do you fit in within the university's suite of data support?**

## SUB QUESTION 2

**Which responsibilities do you think the Library should take ownership over, and which do you think should be the responsibility of other offices on campus?**

## SUB QUESTION 3

**Lately the Library has taken ownership of new tools and increased advertising of older tools. How do these support data management and sharing on campus?**

## SUB QUESTION 4

**How do you think the Library can continue supporting researchers as these new mandates roll out?**

# BROAD QUESTION 4

What challenges do you face?

## SUB QUESTION 1

**How do you collaborate with partners in the Libraries and across campus?**

## SUB QUESTION 2

**How does the current campus climate support or hinder your efforts?**

## SUB QUESTION 3

**What is the most interesting or challenging question you or the group has received? What was the response?**

## SUB QUESTION 4

**What are the biggest technological challenges facing data curation and repository management?**
